

# Heart Transplant

## Medical Specialty Network

We have a comprehensive network of providers who specialize in transplant services. This network consists of providers throughout the United States with whom we have contracted or made special arrangements to provide organ and tissue transplants. These providers have demonstrated excellence in the services they provide and the outcomes they achieve.

## Pediatric

| State | Medical Center   | City         |
|-------|--|--------------|
| CA    | Children's Hospital Los Angeles  | Los Angeles  |
